14.2.3.1.7.3 Practice or Competition -- Final Semester/Quarter. A student-athlete with athletics eligibility remaining may compete or participate in organized practice sessions while enrolled in less than a minimum full-time program of studies, provided the student-athlete is enrolled in the final semester or quarter of the baccalaureate program or a minor or undergraduate certificate program and the institution certifies that the student-athlete is carrying (for credit) the courses necessary to complete the degree, minor or certificate requirements. To qualify for this exception, a minor or undergraduate certificate program must be officially designated (pursuant to institutional policy) by the student-athlete before the beginning of the applicable term. Thereafter, the student-athlete shall forfeit eligibility in all sports, unless the student-athlete completes all degree, minor or certificate requirements during that semester or quarter and is eligible to receive the baccalaureate diploma on the institution's next degree-granting date.
