“A Pandemic of Inequity: Health Outcomes of American Indians and Non-American Indians Hospitalized with COVID-19”

Tory Makela, MS-4; Peter Wilson, MS-4; and
Nicholas Wixon, MS-4

University of South Dakota School of Medicine

June 10, 2022 | 7:30 a.m. | West/East Auditorium

1. Identify medical and social disparities that pre-dispose American Indians to worse COVID-19 outcomes
2. Investigate the difference in severity of disease and level of care need for American Indian vs non-American Indian patients with COVID-19
3. Consider opportunities to improve disparity between American Indians and non-American Indians to prevent inequity with future global health events
