“Palliative Care: A Different Voice in Healthcare to Help Patients Find Their Own”

Dr. Timothy Ihrig, MD, MA

Ihrig MD & Associates

January 27, 2023 | 7:30 a.m. | RCH-West Auditorium

Objectives:

1. Define the scope and role of palliative care as specialized medical care for people with serious illnesses
2. Gain an understanding of the inverse relationship between quality and quantity of care in United States
3. Describe attributes of palliative care models and how they might best fit within an organization
4. Describe the formation and utilization of palliative care and hospice within an integrated delivery system / Coordinate palliative care between professionals and across institutional settings
5. Demonstrate the impact of expanding these services across the care continuum.

Breakfast will
be available
